NEW
THINKING.
NEW
POSSIBILITIES.

NEW THINKING. NEW POSSIBILITIES.

Welcome to our new way of thinking. It's bigger, smarter and driven by the desire to share stylish, high quality and efficient vehicles with everyone. To us, New Thinking means challenging convention and pushing boundaries. And New Possibilities means coming up with more forward-thinking ideas and solutions. That's why we've become one of the world's largest and fastest growing car manufacturers. But whatever we're doing, our responsibilities to our customers, society and the environment are paramount.

Hyundai is fully committed to eco-friendly motoring, and working towards a better future. From the materials we source and the production processes used, to low emission ownership and recycling, we are constantly looking for new ways to reduce the impact of motoring on our planet. That's why we developed Blue Drive, our plan to make it happen.

We use a collection of smart technologies to improve fuel consumption and reduce emissions. Technologies are chosen to perfectly fit each car, which combine to make the biggest difference to owning and running a Hyundai, and the environment.

The 5 Year Triple Care Package* is available as standard on every Hyundai passenger car for miles of worry-free motoring, and includes our Five Year Unlimited Mileage Warranty, Five Year Roadside Assistance and Five Years of Annual Health Checks.

Our Five Year Unlimited Mileage* Warranty demonstrates our confidence in the world class quality of our cars. Available across our passenger car range.

ACTIVE

The Active models, all Blue Drive, come with 16-inch alloy wheels, Bluetooth® connectivity with voice recognition and LED daytime running lights. Automatic headlights and audio controls on the steering wheel mean that you're always totally free to focus on the road ahead.

- 16" Alloy Wheels
- 7 Airbags - Front, Front Side, Driver's Knee and Full Length Curtain
- Air Conditioning
- Anti-lock Brake System (ABS)
- Automatic Headlights
- Bluetooth® Connectivity with Voice Recognition†
- Brake Assist System (BAS)
- Electric Front and Rear Windows with Anti-trap and One-touch Up / Down Control
- Electrically Adjustable and Heated Door Mirrors
- Electric Parking Brake with Automatic Hold Function
- Electronic Stability Programme (ESP)
- Front Fog Lights
- Halogen Headlights with Static Cornering Lights and LED Daytime Running Lights
- Hill-start Assist Control (HAC)
- Intelligent Stop & Go (ISG) and Low Rolling Resistance Tyres
- Leather Steering Wheel and Gear Knob
- Steering Wheel Audio and Phone Controls
- Temporary Spare Wheel
- USB and Aux Connections

STYLE

The Style arrives with 17-inch alloy wheels, cruise control, front and rear parking sensors, dual zone climate control and an electrically adjustable driver's seat with lumbar support. There's also a touchscreen satellite navigation system with rear view camera and a parking guidance system.

Style deletes Intelligent Stop & Go (ISG) and Low Rolling Resistance Tyres over Active

- 17" Alloy Wheels
- Automatic De-fog System for Front Windscreen
- Automatically Dimming Rear View Mirror
- Body Coloured Exterior Door Handles with Chrome Inserts
- Cruise Control with Speed Limiter
- Door Sill Inserts in Stainless Steel
- Driver's Seat with Electric Adjustment and Lumbar Support
- Dual Zone Climate Control
- Electrically Folding Door Mirrors
- Front and Rear Parking Sensors
- Privacy Glass (rear side windows and tailgate)
- Rain Sensing Front Windscreen Wipers
- Touchscreen Satellite Navigation with Rear View Parking Camera, Parking Guidance System and 7 Speakers including Amp and Subwoofer

Style Blue Drive offers the following features over Style

- 16" Alloy Wheels (in lieu of 17" Alloy Wheels)
- Intelligent Stop & Go (ISG)
- Low Rolling Resistance Tyres

PREMIUM

With Premium you'll get the very most out of the surrounding views thanks to a panoramic sunroof with electric tilt and slide. You'll also enjoy leather upholstery and a driver's seat with memory function, keyless entry with engine start/stop button and an impressive set of 18-inch alloy wheels.

- 18" Alloy Wheels
- Driver's Seat with Memory Function (2 settings)
- Front Passenger's Seat with Electric Adjustment and Lumbar Support
- Glove Compartment with Cooling Function
- Heated Front Seats
- Interior Rear Side Cabin Lights
- Keyless Entry with Engine Start/Stop Button
- Leather Upholstery (seat facings only)
- Panoramic Sunroof (electric tilt and slide)
- Supervision Instrument Cluster with LCD Colour Display

Premium Blue Drive offers the following features over Premium

- 16" Alloy Wheels (in lieu of 18" Alloy Wheels)
- Intelligent Stop & Go (ISG)
- Low Rolling Resistance Tyres

NEW POSSIBILITIES.

Useful Information

At Hyundai, we want to make choosing the right car as easy as possible, so we've set out the following helpful and useful information on Vehicle Excise Duty (VED) band structure and insurance information.

VED BAND	CO ₂ EMISSIONS G/KM	2011 FIRST YEAR RATE	2011 STANDARD YEAR RATE
A	Up to 100	0	0
B	101-110	0	20
C	111-120	0	30
D	121-130	0	95
E	131-140	115	115
F	141-150	130	130
G	151-165	165	165
H	166-175	265	190
I	176-185	315	210
J	186-200	445	245
K	201-225	580	260
L	226-255	790	445
M	Over 255	1000	460

g/km = grams of CO₂ per kilometre travelled

Graduated Vehicle Excise Duty

In an effort to tackle global warming, the Government wants to reduce emissions of carbon dioxide (CO₂) from cars. Since 1 March 2001 all new cars registered have a VED (Vehicle Excise Duty, generally referred to as Road Fund Licence) based on fuel type and CO₂ emissions.

Annual VED payable on new passenger cars registered from 1 April 2011.

Other charges

On The Road price includes:

- Retail price
- Delivery charge (including number plates)
- 12 months' Road Fund Licence (first-year rate)
- Vehicle First Registration Fee
- VAT at 20% (where applicable).

Delivery charge is £574 (including VAT).

Vehicle First Registration Fee equals £55 (no VAT payable).

Understanding insurance group ratings:

The different insurance groups available range from group 1 (the lowest) to group 50 (the highest). Most family cars fall into groups 10 to 25, unless they have high powered engines. If you have a sports car, or high risk vehicle, then the group rating will be higher. So the lower the group rating, the less your car insurance premium costs!

Passenger car insurance group ratings are quoted based on the new industry standard scheme that measures vehicles on a 1-50 scale (previously 1-20). The new scale was introduced to allow more comprehensive consideration of vehicle price, equipment level, performance, security and replacement part costs. Adoption of the 1-50 scale will be mandatory from December 2009. Commercial vehicle ratings will continue using the 1-20 scale until further notice.

For more information on insurance ratings please visit the Thatcham website: www.thatcham.org

CO ₂ EMISSIONS G/KM	TAX % P11D VALUE	
	PETROL 2011-1012 TAX YEAR	DIESEL 2011-1012 TAX YEAR
Up to 120	10	13
121-129	15	18
130-134	16	19
135-139	17	20
140-144	18	21
145-149	19	22
150-154	20	23
155-159	21	24
160-164	22	25
165-169	23	26
170-174	24	27
175-179	25	28
180-184	26	29
185-189	27	30
190-194	28	31
195-199	29	32

205-209	31	34
210-214	32	35
215-219	33	35
220-224	34	35
225+	35	35

Understanding P11D values:

P11D value is the retail price of the car including VAT and factory delivery (including the VAT on that delivery), but excluding Road Fund Licence and Vehicle First Registration Fee.

Tax is payable on factory fit or dealer fit options or accessories fitted before customer delivery.

Tax is payable on dealer fit accessories fitted after delivery totalling more than £100. Tax will be payable in the tax year in which they were fitted.

No tax is payable on telephone hands-free kits or equipment to enable a disabled person to use the car, or for accessories required to enable the employee to do their job, for example, a tow bar where the employee has to tow a trailer on company business.

The method to calculate your company car tax costs in 2010/2011 depends on the vehicle's P11D price, CO₂ emissions and fuel type.

As an example, a Hyundai i30 Comfort 1.6 CRDi 115PS 5dr manual, with a P11D price of £16,115 and CO₂ emissions of 119g/km attracts a tax charge of 13% of its P11D value. Therefore £16,115 x 13% provides a taxable value £2,094.95, equating to an annual tax bill of £418.99 (£34.91 per month) for a 20% tax payer, or £837.98 (£69.83 per month) for a 40% tax payer. Emissions figures are in this brochure against each model derivative, and on the range summary page. Information can also be obtained through the Vehicle Certification Agency (www.vcacarfueldata.org.uk) and via Hyundai's website (www.hyundai.co.uk).
